**Step 3:**

Once you proceed with the **Step 2**, a download link for UiPath Community Edition 2017 will be sent to your email-ID you provided in **Step 2**.

You will get a web page like this:

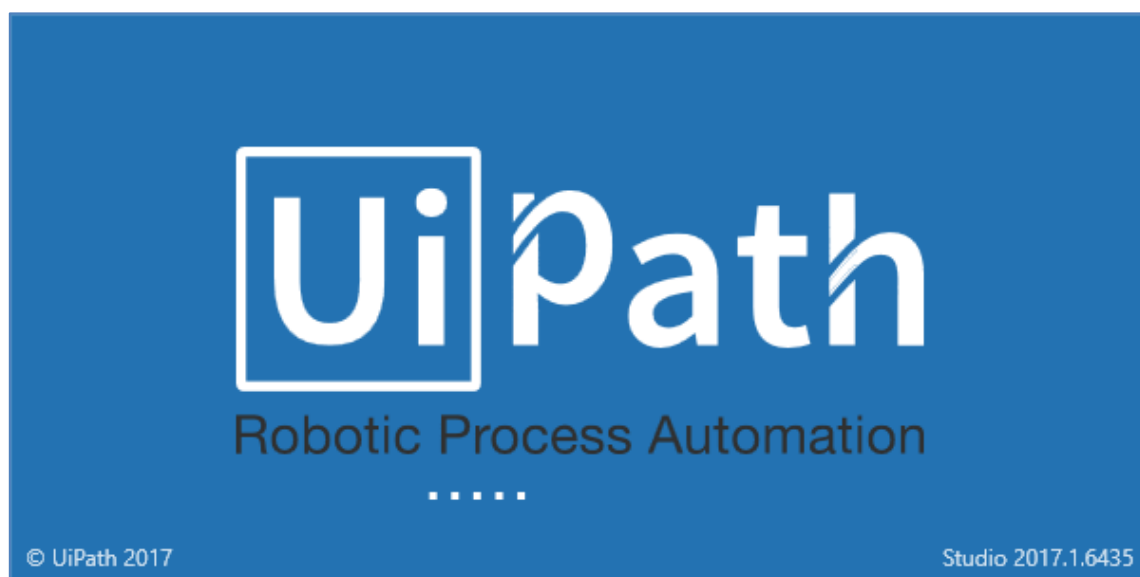

You can also download the UiPath Community Edition 2017 by clicking “here” on the UiPath web page shown above.

**Step 4:**

Your UiPath Community Edition 2017 download will start once you click either on the link sent to your email-ID or on the “download it here” option on the UiPath website.

**Step 5:**

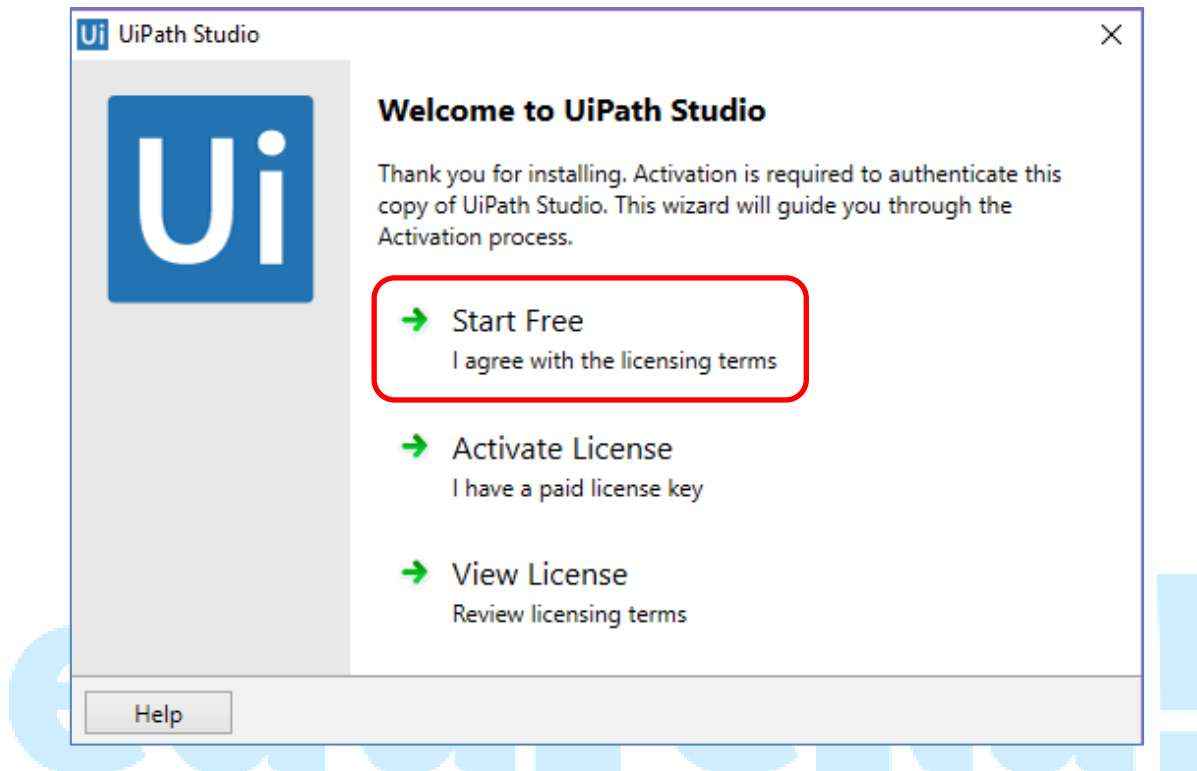

Once you double click on the UiPath installer, your installation process will start.

**Step 6:**

Once the process is complete, you will be asked to select one of the following options:

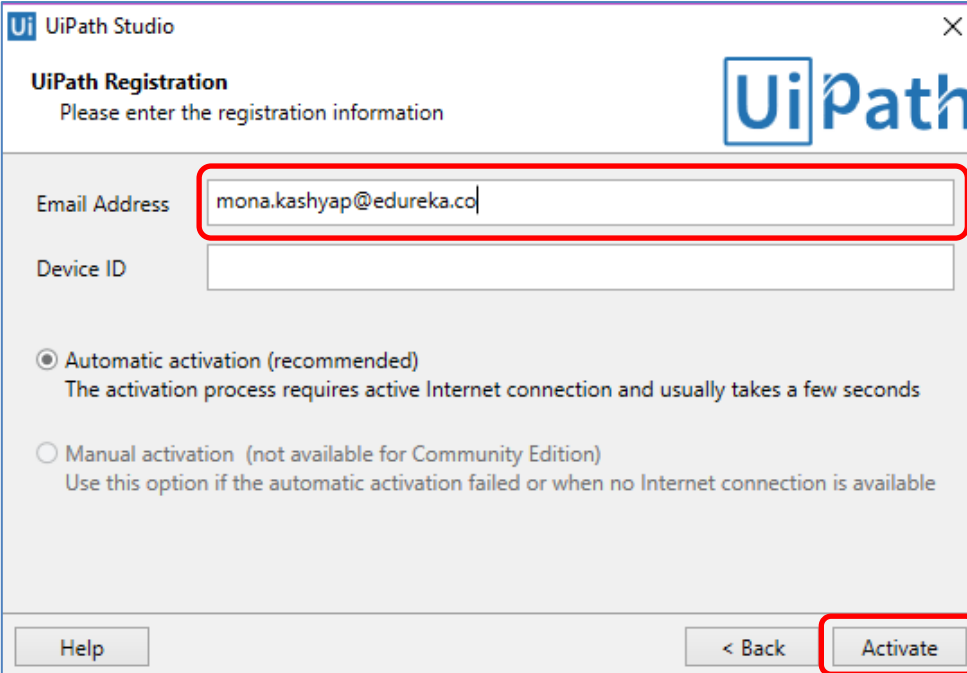

1. Start Free
2. Activate License
3. View License

Select Start Free.

**Step 7:**

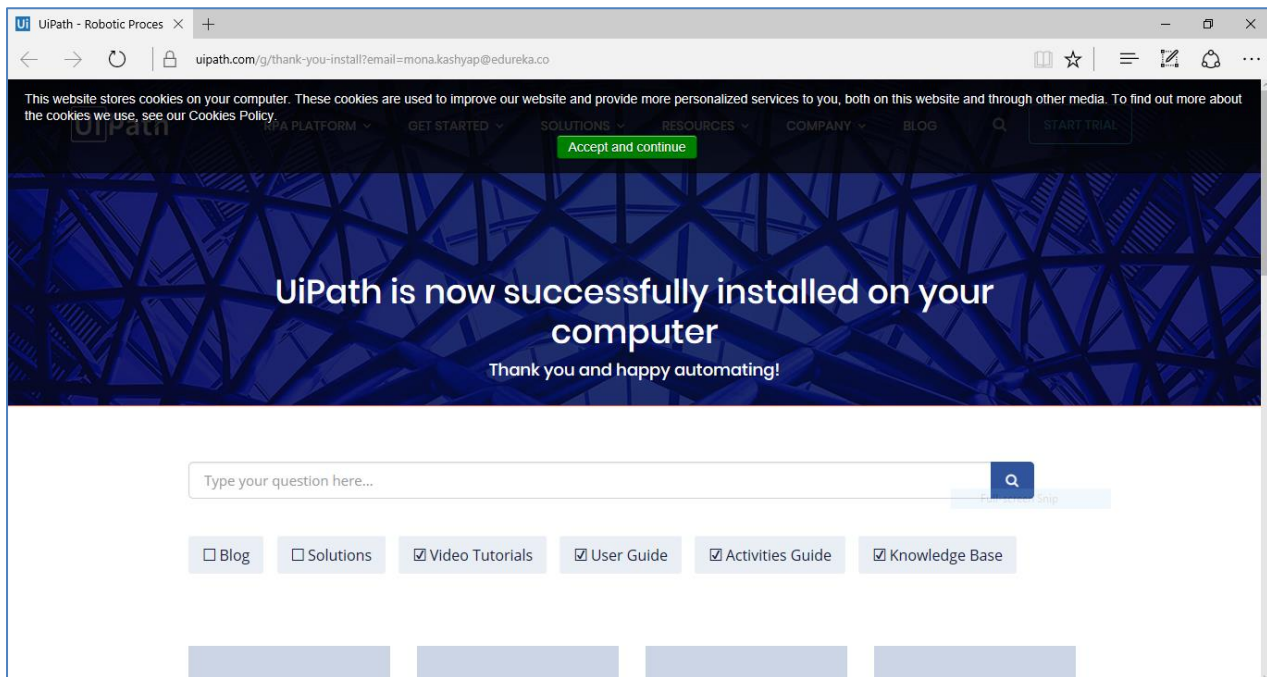

On the next screen, enter your email address and select and click on Activate.

The image shows the 'UiPath Studio' registration window. The title bar says 'UiPath Studio'. The main heading is 'UiPath Registration' with the subtext 'Please enter the registration information'. The UiPath logo is in the top right. There are two input fields: 'Email Address' containing 'mona.kashyap@edureka.co' and 'Device ID'. Below these are two radio button options: 'Automatic activation (recommended)' with a description 'The activation process requires active Internet connection and usually takes a few seconds', and 'Manual activation (not available for Community Edition)' with a description 'Use this option if the automatic activation failed or when no Internet connection is available'. At the bottom are three buttons: 'Help', '< Back', and 'Activate'. The 'Email Address' field and the 'Activate' button are highlighted with red rectangles.

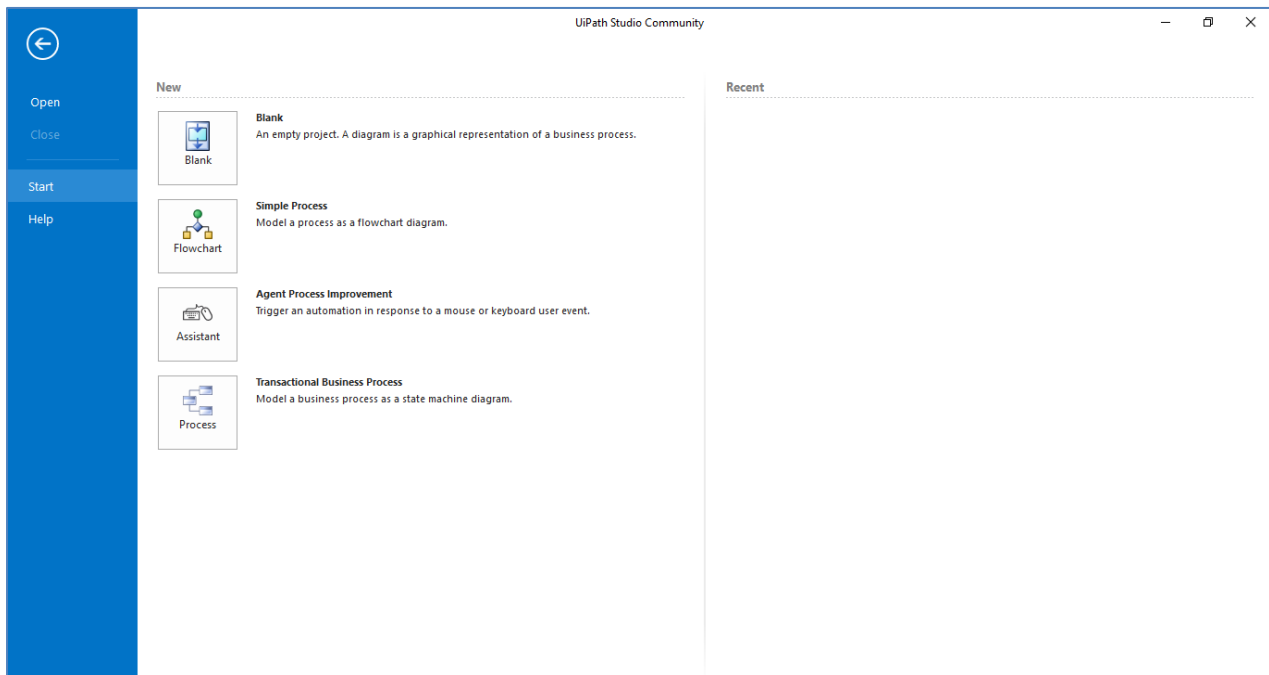

**Step 8:**

After the installation is successful, UiPath webpage will open with the success message like this:

**Step 9:**

Your starting screen of the UiPath tool would look like this:
